

REMARKS

By way of the foregoing amendments, the Abstract has been added to conform the application to the corresponding PCT Application No. PCT/GB2005/001224. Claims 1, 3, 4, 6-10, 12, and 14 have been amended to delete multiple dependencies and to make minor editorial change. Claim 2 has been cancelled. No new matter has been introduced by these changes.

Attached is a substitute specification which has been amended in accordance with the International Phase. Accompanying the substitute specification is a marked-up copy of the specification showing the changes that have been made. No new matter has been introduced by any of the changes presented in the Substitute Specification.

It is requested that the application be examined on the basis of the specification, the Abstract, and the claims as amended.

Early and favorable consideration with respect to this application is respectfully requested.

Should any questions arise in connection with this application, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,
BUCHANAN, INGERSOLL & ROONEY PC
